

Headteacher: Katherine Ryan

### **Teacher of Science (Physics / Chemistry) for September 2018**

We would like to appoint a well-qualified teacher to this main scale post to teach either physics or chemistry up to A-level within our successful department. Science results at the school are consistently well above average at GCSE. We also have popular and successful A level courses. As a school, we are committed to ensuring the best education we can for every student, leading to his or her individual success.

Matthew Arnold is a popular and successful school with an excellent local reputation. We are focussed on improving outcomes for every student and are committed to staff development to support this. We are a friendly staff always working in support of each other and keen to be the best teachers we can be. The school is part of the Acer Trust of schools so there is opportunity to share expertise and experiences and enjoy professional development with more than one school. This post is open to all teachers and our induction programmes give strong support to NQTs. As the school continues to flourish, your contribution and commitment will be part of that future.

In this post you will

- Join a highly skilled and successful Science team
- Be part of a forward thinking organisation
- Work with a committed staff within a supportive learning environment
- Be given opportunities to develop personally and professionally

If you would like an informal conversation about the post then please telephone Liz Bickley on 01865 862232 ext. 2007 who will put you in touch with the Curriculum Leaders. For an application form and further details please visit our website at [www.maschool.org.uk](http://www.maschool.org.uk) (Contact > Vacancies). Closing date: 28 February 2018 at 12 noon. Interviews will be held on 7 March.

Matthew Arnold School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. An enhanced DBS check is required for the successful applicant.
